

Bag-In-Box Rack Inclined Gravity Feed 3 Box 39" Wide

R03-0301
BIB Rack Shelf

R03-03TS
Top Shelf

R03-03HB
Top Pump Mount

High quality BIB rack modular components provide strength and reliability.

Features

- Glide panels on shelves, top pump mounts, and top shelves make pump installation and pump replacement easy.
- Hose management holes in the shelf's front and rear rail prevent tube kinking that restricts syrup flow and makes BIB pumps work harder. Each oval hole accommodates two 3/8" BIB tubes.
- Top pump mounts have holes above and below each louver for cable ties to ensure pumps remain in place.
- 4" shelf leg connectors enhance the stability of stacked shelves.
- NSF approved.

Heavy Duty Construction

- Durable high gloss black powder coat paint resists rust.
- Top pump mounts have welded leg extensions that fit inside the shelf legs to form a secure connection and add steadiness.

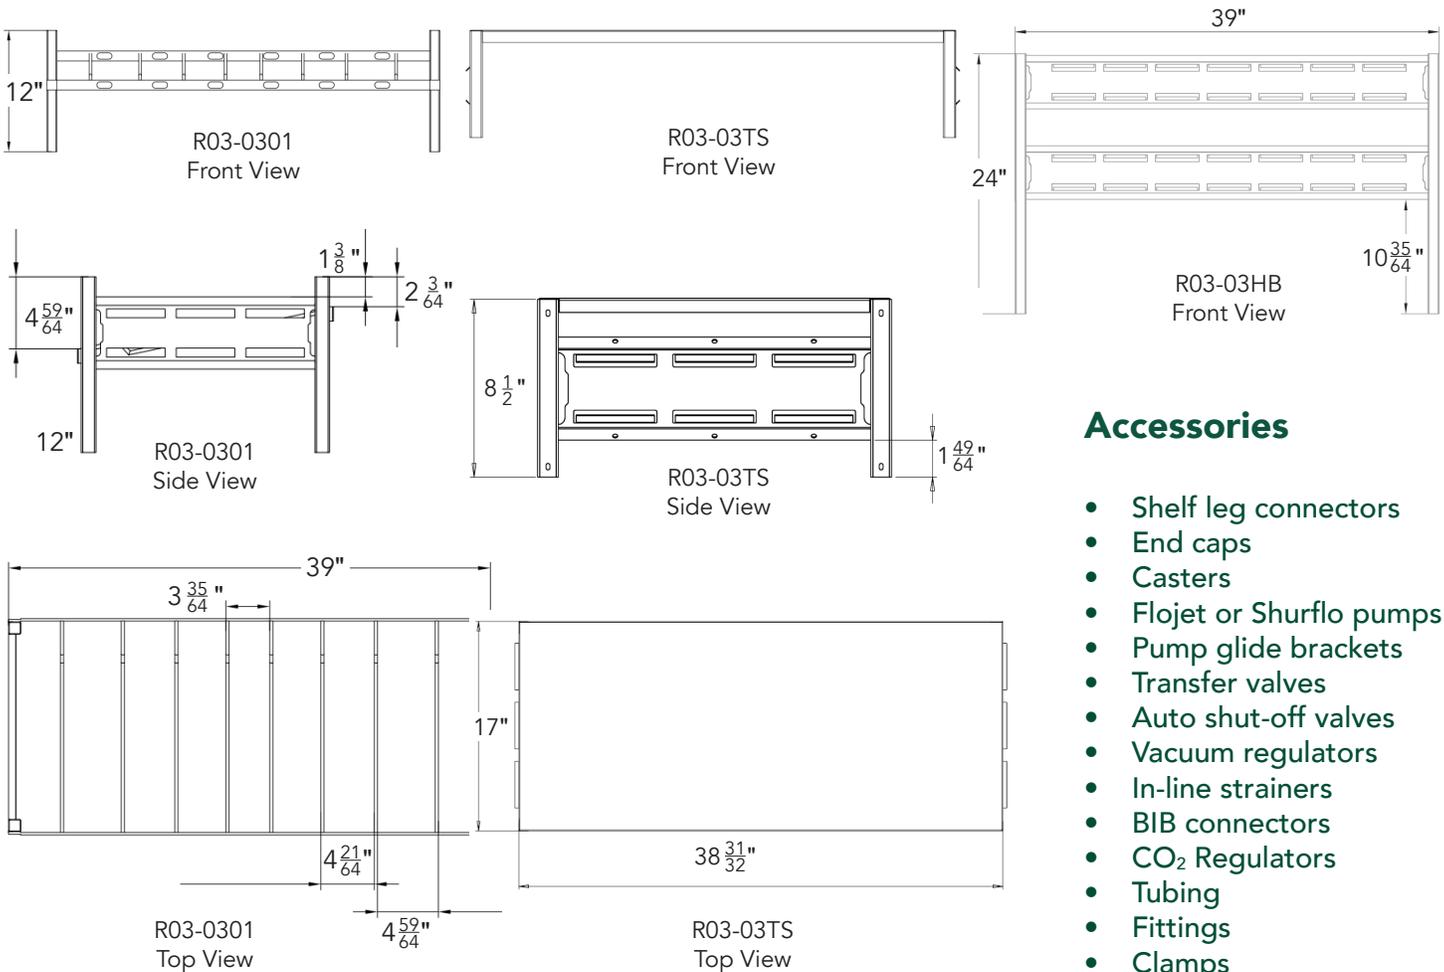

Pre-assembled rack systems are our specialty! Pumps, brackets, manifolds, fittings, tubing, connectors, bag selectors and regulators can be customized to your specifications. Call for details.

39" Wide Inclined BIB Rack Specifications

	BIB Rack Shelf	Top Shelf	Top Pump Mount
Part Number	R03-0301	R03-03TS	R03-03HB
Width	39"	39"	39"
Depth	17"	17"	1"
Height	12"	8.5"	24"
Weight Capacity	180 lbs	275 lbs	N/A
Shipping Weight	10 lbs	17 lbs	11 lbs

Accessories

- Shelf leg connectors
- End caps
- Casters
- Flojet or Shurflo pumps
- Pump glide brackets
- Transfer valves
- Auto shut-off valves
- Vacuum regulators
- In-line strainers
- BIB connectors
- CO₂ Regulators
- Tubing
- Fittings
- Clamps
- Cable ties
