BigBiz dispenser features & benefits

- ◆ A Multipurpose Cold & Frozen Beverage Dispenser will minimize your investment costs and maximize your profits
- ◆ Perfect for Italian granita, slushies, frozen or iced coffee/tea, frozen margaritas, sorbet, frozen yoghurt, sangria, lemonade and much, much more.
- ◆ The BigBiz's compact size and great price will allow you to offer your clients variety of frozen beverages without substantial equipment investment or significant store space occupancy needed for larger dispensers.
- ◆ Our innovative design makes each unit a **powerful merchandiser & profit center** for any business.
- ◆ The BigBiz patented design **eliminates "preventative maintenance"** (versus competitive manufacturers, where mandatory preventative maintenance is required annually & costly).
- ◆ The drive shaft of each BigBiz dispenser is manufactured with a "Seal-less" patent, which makes it **uniquely the most hygienic & safest product of its kind on the market today.**
- ◆ Our dispenser **does NOT require periodic lubrication or seal replacements.**
- ◆ BigBiz is **the simplest & easiest machine to clean & maintain.**
- ◆ **User-friendly & easy-to-read electronic controls** make operation a snap.
- ◆ On-board "AutoDiagnostic" functions ensure **longer product life by eliminating equipment misuse.**
- ◆ BigBiz dispensers are manufactured to comply with **HACCP Standards.**
- ◆ A handle locking system makes our products a **perfect fit for self-service locations.**
- ◆ Our strong & energy-efficient refrigeration system makes **our dispenser's preparation cycle process the fastest in its class.**
- ◆ **BigBiz's patented "Total Cold"** refrigeration system refrigerates mix from the bottom up and assures that your beverage is perfectly frozen to the very last drop.
